

TOTAL DISC REPLACEMENT

MASTERCLASS

Saturday, September 9th, 2023
PARIS

IN PARTNERSHIP WITH

final agenda

08.00am **Welcome coffee**

08.30am **Welcome introduction**

- **JEAN-YVES LAZENNEC**

08.35am The state of lumbar arthroplasty in the US in 2023: addressing the arguments of year 2000

- **JACK ZIGLER**

08.50AM - **SESSION 1**

CONCEPTS & DESIGNS

MODERATOR: RAYMOND YIP

08.55am Concepts & current experience of lumbar and cervical viscoelastic disc replacement

- **JEAN-YVES LAZENNEC**

09.10am Biomechanical analysis of lumbosacral junction: influence of the implantation of a prosthesis on stress distribution in the vertebrae.

- **TANGUY VENDEUVRE**

09.20am Primary & Secondary fixation of total disc replacement

- **JEAN-YVES LAZENNEC**

09.30am Comparison of lumbar viscoelastic prostheses designs

- **EDUARDO E. ESPINOSA**

09.40am Cervical TDR: the 7-vertebra enigma

- **THIERRY MARNAY**

09.55am **Q&A - Discussion**

10.05am **Coffee break**

10.30AM - **SESSION 2**

INDICATIONS, CONTRA INDICATIONS AND EXTENDED INDICATIONS

MODERATOR: JACK ZIGLER

10.35am Patient selection, patient education: presurgical assessment

- **SVANTE BERG**

10.45am Extended indications for Lumbar TDR

- **RAYMOND YIP**

10.55am Does age limit indications for TDR?

- **BIREN DESAI**

11.05am Obesity is a contra-indication for total disc replacement

- **SVANTE BERG**

11.15am Borderline indications with TDR

- **RISCHKE BURKHARD**

11.25am Post-operative recommendations after TDR

- **JEAN-YVES LAZENNEC**

11.35am **Q&A - Discussion**

11.45AM - SESSION 3

COMPLICATIONS MANAGEMENT

MODERATOR: SVANTE BERG

11.45am Round table: Challenging cases

- **JEAN-YVES LAZENNEC, BURKHARD RISCHKE, PATRICK TROPIANO, RAYMOND YIP, THIERRY MARNAY, OLIVIER RICART**

12.35pm Q&A - Discussion

12.45pm Lunch break

02.00PM - SESSION 4

REVISION MANAGEMENT

MODERATOR: THIERRY MARNAY

02.05pm Round table: TDR Revision

- **BURKHARD RISCHKE, RAYMOND YIP, PATRICK TROPIANO**

02.35pm Q&A - Discussion

02.45PM - SESSION 5

CLINICAL RESULTS

MODERATOR: JEAN-YVES LAZENNEC

02.50pm Cervical TDR vs. ACDF in FDA IDE Studies: Review of Long-Term Level I Data 2023

- **JACK ZIGLER**

03.05pm Preliminary results of a comparative study between a mechanical disc prosthesis and a viscoelastic disc prosthesis

- **SVANTE BERG**

03.15pm Viscoelastic cervical prosthesis CP-ESP : Clinical results 2 to 10 years follow-up

- **OLIVIER RICART**

03.25pm Data on TDR of the L spine with massive or large disc herniation case series

- **RAYMOND YIP**

03.35pm Concurrent use of Lumbar Disc Arthroplasty and Anterior Lumbar Interbody Fusion for the Multilevel degenerative Disc Disease

- **VADITHEY ANAND NAIK**

03.45pm Mobility Parameters in Two-Level Lumbar TDR vs Hybrid Construct: Clinical Results in 235 Patients

- **THIERRY MARNAY**

04.00pm Q&A - Discussion

04.10pm Take-home messages

- **S.A.C GROUP**

04.20pm Wrap-up

- **JEAN-YVES LAZENNEC**

04.30pm End of the day

Paris airports

About 60 min drive

Paris train stations

About 60 min drive

Parking available on site

Shuttles will be organized from Paris airports, and Paris main train stations to the venue

Accommodations will be available at the venue

Masterclass Venue

Domaine de Behoust
1, rue du Nid de Geai,
78910 BEHOUST
